Programs Offered

Associate of Science degree in:

- *Health Professions*

Bachelor of Science degree in:

Health Professions degree majoring in:

- *Diagnostic Medical Sonography*
- *Dual Major: Adult Cardiac Sonography and Vascular Sonography*
- *Healthcare Studies*

Health Professions- Completion option

Biomedical Sciences

Nursing

Nursing Completion Option

Master of Science degree in:

Nurse Anesthesia

Nursing – Nursing Education

Nursing – Nursing Leadership

Doctorate in:

Education – Nursing Education

Nurse Anesthesia Practice

Graduate Certificate in:

Healthcare Management

Simulation Education

Post – Masters of Science in Nursing - Nursing Education

Post – Masters of Science in Nursing – Nursing Leadership

Undergraduate Certificate in:

Healthcare Management

We also offer a full range of General Education courses to fulfill curriculum requirements.

Minors Offered

Baccalaureate degree seeking students are eligible to declare a minor in a variety of subject areas. The number of credit hours required may vary depending on the area in which the minor is being sought. A minimum of 12 credit hours in any minor must be earned at Bryan College of Health Sciences. Students wishing to earn a minor must complete the Declaration of Minor Form and submit it to the Records and Registration Office.

The following outlines the minors offered and the hours required. Please see your advisor for specific course requirements and details.

Biomedical Sciences

Students are required to successfully complete 14 credit hours. (12 credit hours must be taken at Bryan)

Gerontology

Students are required to successfully complete 12 credit hours. (9 credit hours must be taken at Bryan)

Healthcare Management

Students are required to successfully complete 12 credit hours. (12 credit hours must be taken at Bryan)

Public Health

Students are required to successfully complete 12 credit hours and an additional 3 credit hours of choice for an emphasis.

- *Business and Management Emphasis*
- *Cultural, Psychological, and Social Emphasis*
- *Natural Sciences Emphasis*

Social Sciences

Students are required to successfully complete 15 credit hours. (12 credit hours must be taken at Bryan)

Spanish for Health Professions

Students are required to successfully complete 12-21 credits. The goal of the Spanish minor is to achieve comprehensive knowledge of the Spanish language and culture. (12 credit hours must be taken at Bryan)

Vascular Sonography

Diagnostic Medical Sonography students may elect this minor. Students are required to successfully complete 17 credit hours.

Bryan Bookstore

<http://bookstore.mbsdirect.net/bryanhealth.htm>

You will need to register with the bookstore by creating an account. Simply click on the **“my account”** link on the top right hand side of the page. You can then browse for your books by selecting the courses for which you are registered under **“find textbooks”**. After adding items to the cart you will be able to pay by credit card or by utilizing your financial aid funds.

- *Sales tax will be posted to your Bryan College tuition bill for text book purchases made using financial aid. Students paying for text books by credit card are expected to report on their Nebraska Individual Income Tax return “use tax” for purchases made on the internet.*

Dropping Courses

If you decide to drop a class or withdraw from school you must contact Records and Registration immediately for the appropriate paper work. When you register for a course you assume responsibility for the tuition and fees associated with that course. It is your responsibility to notify the college if you will not be in attendance. Not attending class does not automatically drop you from the roster or cancel your financial obligations.

Withdrawal Policy

A student who wishes to drop a course after the first week of the semester must withdraw from the course. If a student withdraws from a course before the end of the tenth week of the semester, a grade of “W” (withdrawal) is recorded on the transcript. A withdrawal is not computed in the grade point average. Students who find it necessary to withdraw from a course after the tenth week of the semester must petition to the Dean of the student’s program for permission to withdraw. If approved to withdraw, the student will receive a “WP” (withdraw passing) or a “WF” (withdraw failing) on the transcript, dependent upon the student’s grade in the course at the time of withdrawal. A “WP” or “WF” is not computed in the grade point average. If a student does not petition for a “WP” or “WF”, the course grade will be assigned based on the work completed in class. Any work that is incomplete will be calculated with zeroes. This may result in a failing grade. This failing grade will be computed in the grade point average. **Withdrawal deadlines for courses less than a full semester in length follow a prorated withdrawal schedule.**

Directory Information

The Family Educational Rights and Privacy Act (FERPA) specifies the rights a student has in regard to their educational records when they enter an institution of higher education. Directory information may be disclosed without student consent; however, students have the right to withhold its disclosure. Students must notify the Records and Registration Office in writing during the first week of courses if they wish to have their information withheld. Bryan College of Health Sciences has designated the following items as directory information:

- Name of student
- Address of student
- Phone number of student
- Personal email of student
- Field of study (major)
- Academic class (freshman, sophomore, junior, senior)
- Enrollment status (full-time or part-time)
- Date of attendance
- Estimated graduation date
- Graduation date
- Academic awards and degrees
- Participation in officially recognized activities and sports

NOTE: withholding your directory information does not apply in classroom situations in which you are enrolled, nor does it include the right to remain anonymous in class. Your name and college email address may be listed on a class roster, and you may be called by name in class.

Important Dates for Spring 2017

Priority Registration

- *October 24-28*

Open Registration

- *October 31-November 11*

Last day to file for May graduation

- *November 15*

Academic Policies

Full-Time and Part-Time Student Status

Semester	Graduate			Undergraduate		
	Full Time	$\frac{3}{4}$ Time	$\frac{1}{2}$ Time	Full Time	$\frac{3}{4}$ Time	$\frac{1}{2}$ Time
Fall	6 credits	N/A	3 credits	12 credits	9-11 credits	6-8 credits
Spring	6 credits	N/A	3 credits	12 credits	9-11 credits	6-8 credits
Summer	6 credits	N/A	3 credits	12 credits	9-11 credits	6-8 credits

Dropping and Adding Courses

Adding a course

A course may be added through the end of the first week of the semester by completing a "Request to Drop/Add a Course" form and submitting it to Records and Registration. Please contact Records and Registration if you have any questions regarding the form.

Dropping a course

A course may be dropped through the end of the first week of the semester. The student must complete a "Request to Drop/Add a Course" form and submit it to Records and Registration. A course dropped by the end of the first week of the semester is not recorded on the transcript. A student who wishes to drop a course after the first week will have a "W" recorded on their transcript. Please see page 8 for more information on the withdrawal policy.

The drop/add dates for courses that are less than 16 weeks are prorated. You may contact Records & Registration for further details. (Also see page 20 in the registration guide for Financial Policies)

Grading System

Throughout individual courses, grades are recorded numerically to two decimal places. The final numeric course grade is then calculated and recorded as a whole number. Letter grades are assigned according to the final numeric value. Grade point averages are computed as follows:

Percentage Grade	Letter Grade	Quality Points
95-100	A+	4.0
90-94	A	4.0
85-89	B+	3.5
80-84	B	3.0
75-79	C+	2.5
70-74	C	2.0
65-69	D+	1.5
60-64	D	1.0
59 and below	F	0

Registering for Courses

If a student has a registration hold placed on their account, their registration will not be processed until that hold has been resolved. All questions regarding holds should be directed to the Registration and Records office at 402-481-3805.

Registration Categories

Priority Registration:

Is reserved for current students.

Open Registration:

Is offered to new students and students who have not been accepted into a program of study at Bryan College of Health Sciences. This category also includes non-degree seeking students who wish to take courses for their own personal or professional development.

Registration

- Contact **your advisor** for assistance with the registration process. Your advisor's contact information is on the Student Portal.
 - Your advisor will assist you in identifying the correct courses based on your curriculum.
- You are responsible for checking registration holds. All registration holds must be cleared before your registration will be processed.
- Use a new "Course Registration Form" for each semester.
 - Be sure to complete all sections on the form.
 - Be sure to get your advisor's signature.
 - Your registration will not be processed if parts are missing.
- Once you have met with your advisor turn in the white copy to Records and Registration in office 224.
 - You may keep the pink copy and give the yellow copy to your advisor.
- If you are a hybrid or online student, you may fax your registration form to 402-481-8621 or scan to your advisor.

Undergraduate Enrollment in Graduate courses

Students in the senior year of their major at Bryan College of Health Sciences may elect to enroll in a maximum of six graduate credits providing that all of the following criteria are met:

- Current Bryan College of Health Science undergraduate GPA of 3.0 or higher.
- Permission of the graduate course faculty member.
- Space availability upon registration of current graduate program students.

Basic Nursing Assistant Information

The first day of class is **mandatory**. Students who do not attend the first day of class will be automatically withdrawn from the course.

Cost

\$499

Total cost of the course is \$499. This total includes your tuition, fees, student manual, student workbook, and a **\$50 non-refundable** registration deposit. The deposit will be applied to your tuition once attendance has been recorded.

Dates

Open Registration begins October 31, 2016

Course: January 9 – April 27, 2017

Clinical Orientation: April 17, 2017

Competency Testing: May 1 & 4, 2017

The course will run the full length of the semester with lecture meeting every Monday and a lab on Thursday. You will have your picture taken for your name badge on the first day of class.

Registration Information

Course	Sect	Credits	Description	Instructor	Room	Day	Time
NURA102X	1	0	Basic Nursing Assistant Limit 16 students. First day of class is MANDATORY	Hensley, Amy	CR200	Monday	8:30 – 11:30 a.m.
NURA102L	1	0	Basic Nursing Assistant Lab 8 student maximum Clinical Orientation: April 17 Clinical Day: April 27 6:15 a.m. – 12:30 p.m. Competency Testing: May 1 & 4	Hensley, Amy	CR209	Monday	12:00 - 3:00 p.m.
NURA102L	2	0	Basic Nursing Assistant Lab 8 student maximum Clinical Orientation: April 17 Clinical Day: April 27 1:15 – 7:30 p.m. Competency Testing: May 1 & 4	Koenigsman, Sherry White, Jay	CR209	Thursday	1 – 4 p.m.

Requirements

Must be at least 16 years of age.

All paper work is sent out a month prior to the start of the class or at the time of registration and is due **PRIOR** to the first day of class to allow time to process background checks and health records.

Background Checks

This will be completed on the first day of class. If you are a minor you will need your parent's signature on the following forms:

- *Completion of Authorization and Disclosure Form for Criminal Background Check.*
- *Completion of Nebraska Health and Human Services Abuse Registry Form.*

Immunizations

Documentation of immunity to the following communicable diseases must be provided **PRIOR** to the first day of class. Failure to submit documentation will result in automatic withdrawal from the course.

- *Varicella (chicken pox)—must be titer or vaccination*
- *Hepatitis B series*
- *MMR*
 - *Rubella—3-day measles, German measles*
 - *Rubeola—measles*
 - *Mumps*
- *Tdap—Tetanus, Diphtheria, and Pertussis*
- *TB—Tuberculosis*

Phlebotomy Information

Cost

\$563/credit hour

Tuition for the course is an approximate total of \$1,689. This total **does not** include your textbook. You will need to order your book online. A \$50 non-refundable registration deposit is due at time of registration and will be applied to your tuition upon attendance to class.

Date

January 12 – May 4, 2016 **CANCELLED**

The course will run the full length of the semester meeting every Thursday. You will have your picture taken for your name badge on the first day of class.

Registration Information

Course	Sect	Credits	Description	Instructor	Room	Day	Time
MEDT101	1	3	Phlebotomy	Dixon, Mike	CR204	Thursday	4 – 7 p.m.

Course Description

This course introduces the practice and theory of phlebotomy. It includes ethical and legal issues that pertain to phlebotomy, laboratory safety, basic anatomy and physiology, types of laboratory specimens, specimen handling, and special collection procedures. Practical instruction includes venipuncture and capillary blood collection. The curriculum is designed to provide the didactic information and competencies required by the American Society of Clinical Pathology for certification as a Certified Phlebotomy Technician. *Please note that there is no certification at the end of this course. You will have the 3 credit hours of education and most job sites will do onsite training.*

Requirements

All paper work is sent out a month prior to the start of the class. This paper work is due **PRIOR** to the first day of class.

Computer Requirements

Computers are accessible on campus in the library and in the student center. You may need a portable memory device and headphone/ear buds. The requirements for your computer or laptop are listed below. You may be successful with less, but meeting these requirements will assure that you will meet the minimal requirements of any programs currently in use.

Personal Computer

- *Window XP SP3 or later operating system*
- *2.0 GHz Intel Pentium processor minimum, but Intel Core 2 Duo (2.2 GHz or higher) recommended*
- *2 GB RAM minimum, but 4 GB or higher recommended*
- *Java plug-in—current version*

Apple/Macintosh

- *Mac OSX 10.6 or later*
- *2 GB MB of RAM*

Required for both type of computers

- *40 GB or more of storage*
- *Internet speed of 512kbps—if you do not know the speed of your internet visit <http://speedtest.net>*
- *Microsoft Office Student Edition 2007 or higher*
- *Flash Player—current version*
- *Speakers, headset, and microphone*
- *Sound card*
- *Adobe Acrobat Reader—current version*
- *Battery with at least a 2 hour life—outlets are limited*

Browsers

The latest two versions of all common browsers will work. It is recommended you always have at least two browsers installed. For more details about browsers and other required items visit:

<http://guides.instructure.com/m/4214/1/41056-which-browsers-does-canvas-support>

Computer Skills

As a student participating in the online environment, you are expected to have basic computer skills. If you do not have these skills, your success in the course may be impacted:

- *Maintain safety and security of your computer—example: keep antiviral program up to date*
- *Create, save, find, and manage files—example: “save as” and place document in a folder*
- *Maneuver within and between applications—example: use the tool bar at the bottom to move between open programs and documents*
- *Create and modify documents in Word, Excel, and Power Point*
- *Add, open, and save e-mail attachments to your computer*
- *Save and transfer data via portable devices—example: jump-drive, USB, memory stick*
- *Browse Web using search engines—example: using Google, Yahoo, Ask, etc.*
- *Download and save a variety of document types—example: PDF format*
- *Know how to save a document in other formats—example: .doc, .docx, .rtf, etc.*
- *Know how to update and reliably maintain current versions of commonly used programs—examples: Adobe Reader, Flash, QuickTime, Windows Media Player, Java, etc.*

Resources to help you learn or refresh these skills can be found within CANVAS, the Student Success Center, online tutorials, and courses available through the College. There are many experienced peers to help you understand and learn the skills you need to be successful.

Are you ready to be an online learner??

Online learning provides many opportunities for increased flexibility. But it also requires more personal motivation, time management, and sound computer skills to succeed. Please take this quick online quiz to see if you are a good fit for online learning before enrolling in a course that is partly or completely online. Academic Calendar

Fall Semester

August 18-19, 2016	New student orientation
August 22, 2016	First day of classes
August 26, 2016	Last day to drop/add classes
Week of August 29, 2016	Tuition Statements available on CampusVue Portal
September 3-5, 2016	NO CLASSES - Labor Day
September 23, 2016	Tuition due
October 10-14, 2016	Midterm
October 15-18, 2016	NO CLASSES - Fall break
October 24-28, 2016	Priority registration for Spring semester
October 28, 2016	Last day to withdraw
October 31- Nov. 13, 2016	Open registration for Spring semester
November 15, 2016	Last day to file for May graduation
November 23-27, 2016	NO CLASSES - Thanksgiving
December 12-16, 2016	Final exams
December 16, 2016	Final day of semester
December 16, 2016	Fall graduation

Winter Session

Dec. 19, 2016-January 6, 2017	Winter Session
Dates & Times TBD	Clinical Practicum IV-Cardiovascular Technology

Spring Semester

January 5-6, 2017	New student orientation
January 9, 2017	First day of classes
January 13, 2017	Last day to drop/add classes
January 14-16, 2017	NO CLASSES - Martin Luther King Day
Week of January 16, 2017	Tuition Statements available on CampusVue Portal
February 10, 2017	Tuition due
February 15, 2017	Last day to file for August graduation
February 27-March 3, 2017	Midterm
March 17, 2017	Last day to withdraw
March 18-26, 2017	NO CLASSES - Spring Break
March 27-31, 2017	Priority registration for Summer & Fall semesters

April 3-14, 2017	Open registration for Summer & Fall semesters
April 15, 2017	Last day to file for December graduation
May 1-5, 2017	Final exams
May 5, 2017	Final day of semester
May 5, 2017	Spring graduation

Summer Session*

May 8, 2017	First day of summer session
May 8-June 2, 2017	BSN Level II B Practicum (for those students who have completed Nursing Care II)
Week of May 15, 2017	Tuition Statements available on CampusVue Portal
May 26, 2017	Tuition due for all summer courses**
May 27-29, 2017	NO CLASSES – Memorial Day
July 4, 2017	NO CLASSES – Independence Day
August 4, 2017	Last day of summer session
August 4, 2017	Summer degree conferral date

*For drop/add dates see Records & Registration.

*For tuition refund schedules see the Bursar.

**ALL tuition for summer is due May 26, 2017, regardless of course offering dates.

Tuition and Fee Rates

August 22, 2016 – August 4, 2017

Tuition

Doctorate of Education	\$669/Credit Hour
Graduate Anesthesia	\$944/Credit Hour
Graduate Nursing (MSN and Certificate)	\$509/Credit Hour
Healthcare Management Certificate (HMC)	\$544/Credit Hour
Simulation Education Certificate	\$630/Credit Hour
Undergraduate	\$533/Credit Hour

General Fees

Certificate	\$30/Credit Hour
Doctorate of Education	\$30/Credit Hour
Graduate Anesthesia	\$45/Credit Hour
Graduate Nursing	\$30/Credit Hour
Undergraduate	\$30/Credit Hour

Semester Fees

Health Professions—Registry Exam Fees	Varies by program
Nurse Anesthesia—Clinical Fee	\$200/Semester

One Time Fees

Application Fee—Graduate	\$75
Application Fee—Undergraduate	\$50
Enrollment Fee—Certificate	\$75
Enrollment Fee—Doctorate of Education	\$150
Enrollment Fee—Graduate Anesthesia	\$800
Enrollment Fee—Graduate Nursing	\$150
Enrollment Fee—Undergraduate	\$150
Graduation Fee	\$225
Unbound Medicine E-Book—Undergraduate Nursing	\$185

Books and supplies are additional out-of-pocket expenses. These expenses may range from \$350-750 per semester, depending on a student's major and class load.

Financial Policies

Financial Aid

Students can apply for financial aid online via CampusVue Student Portal (Navigation: My Financial Aid > FA Online). Call the Financial Aid office at 402-481-8984 for more information.

Tuition Payment Policy

Tuition and fees are posted to student accounts during the second week of a new semester and are due upon posting. Statements are provided online through CampusVue Student Portal (Navigation: My Finances > Account Information > Registration Bill (check term and click search)). A student who is delinquent in the payment of tuition and fees will be refused admission to additional courses. An official transcript will not be issued until a student has met all financial obligations to the college.

Tuition Refund Schedule

- *Refunds to tuition will be issued according to the table below.*
- *Refunds for summer sessions or sessions less than a full term will be prorated.*
- *Refunds will be processed within one month of the request.*
- *Enrollment fees, course materials, lab fees, and books purchased through the bookstore are nonrefundable.*
- *Dropping classes may affect your financial aid, loan eligibility, or car/health insurance.*

Refund schedule based on a 16-week term:	
First week	100% Refund
Second week	80% Refund
Third week	60% Refund
Fourth week	40% Refund
Fifth week	20% Refund
After sixth week	No Refund

Refund schedule for courses less than 16 weeks are prorated. You may contact the Bursar in Student Accounts for specific refund calculations. Larry Morrison, Office 223, 402-481-8752

Course Schedules for registrations

General Education / Science Courses will start with the following letters:

- *Business/Management* ECON, MGMT
- *General Studies* GSTU
- *Communication* COMM
- *Health/Recreation/Physical Education* HPER
- *Humanities* ARTS, ENGL, HIST, HUMS, INTL, MUSC, PHIL, RELI, SIGN, SPAN
- *Mathematics* MATH, STAT
- *Natural Sciences* BIOS, CHEM, NUTR, PHYS
- *Social Sciences* GERO, INTL, PBHL, PSYC, SOCI
- *Medical Terminology* HIMS

Graduate Studies Courses will start with the following letters:

- *Education* EDUC
- *Healthcare Management* ECON, MGMT
- *Nursing* NURS
- *Simulation Education* SIML

Health Professions Courses will start with the following letters:

- *Sonography* AHAL, CARD, CVTD, DMSO, VASC
- *Basic Nursing Assistant* NURA
- *Phlebotomy* MEDT

Nurse Anesthesia Courses will start with the following letters:

- *Anesthesia* NRAN

Undergraduate Nursing Courses will start with the following letters:

- *Nursing* NURS
