March 18th, 2020

Dear Students,

As we continue to monitor the novel coronavirus (COVID-19), the health and safety of our community continue to be our top priority. Out of an abundance of caution, as President Lloyd has announced Bryan College is preparing to temporarily transition its face-to-face teaching and learning activities to remote delivery, starting Monday, March 30th.

Please continue to check your Bryan College email for up to date information.

The Student Success Center would like to remind you about the following:

All students need to have an accessible device that you can connect to Wi-Fi for coursework. If you do not have an accessible device, please contact Brenda Neemann, Student and Alumni Director at 402-481-8692 or brenda.neemann@bryanhealth.org. Please keep in mind the minimum requirement for Computer Hardware and Equipment.

Internet Services: If you do have access to the internet, please consider companies that are offering free internet access for schools switching to on-line learning.

**Bryan Health Network Password Reset**
If you need to reset your password and you are off-campus please use the following link: https://Password.bryanhealth.org

You will be prompted to enter your username and last known password, it will say that it is expired and ask to create a new one.

If you are on-campus, you can reach the IT Service Desk at 402-481-8960.

**Resources for on-line learning**

We understand that for some students, on-line classes may be new. To provide you detailed instructions, please visit Student Help and Resources on canvas. The modules include step-by-step how-to guides and quick links and contact information for 24/7 support.

**Campus remains open, including the Student Success Center**

Our student services will remain open, and we will continue to provide services to our and students who seek in-person services and those who are studying remotely. The library, professional development services, writing center, tutoring, cafeteria, and all other aspects of the
college remain open. Some of these services may be offered in other avenues other than face-to-face.

**Continuum EAP & Professional Development Coordinator (Patty)**

Continuum Services are still available and have moved to Zoom and telephone appointments. To schedule an appointment, continuum can be reached at: 402-476-0186 or 1-800-755-7636.

Patty Bollinger, Professional Development Coordinator, is available to help you manage anxiety and stress. Your mental health is just as important as your physical health. Patty’s contact information: 402-481-3831 or available through email patty.bollinger@bryanhealth.org.

**Disability Services**

Disability Services will continue to be accessible and available as we transition to on-line classes. If you need an accommodation in the on-line environment, please email the Disability Services Coordinator as soon as possible.

Disability Services will continue to monitor all clinical decisions and evaluate accommodations on a case by case basis. If you are immunocompromised or are in a home with an immunocompromised person, please contact Disability Services on how to proceed.

Disability Services Coordinator, Sheri Paneitz, 402-481-8782 or Sheri.paneitz@bryanhealth.edu

**If my child’s school or day care is closed due to COVID-19, what options do I have?**

If you are not able to attend lab/clinical or progress with your coursework due to caring for an immediate family member, please work with your faculty and program director to continue your coursework on-line and work with your program director or clinical coordinator regarding adjustments to the clinical schedule.

Due to the extenuating circumstance, you may also want to contact our student accommodations office. Contact Sheri Paneitz at sheri.paneitz@bryanhealth.org or call 402.481.8782.

Despite our best efforts to bring safety to everyone, we are still faced with uncertainty. Now more than ever, we must to our utmost to protect those among us who are most vulnerable, whether physically or emotionally, and to treat one another with generosity and respect.

On behalf of the College, thank you for your flexibility during this temporary on-line solution. Our goal is to enable you to continue your studies and keep your path toward graduation unimpeded and uninterrupted.

Be Well!

Alethea Stovall, Dean Of Students
