

Bryan College of Health Sciences

Doctor of Nurse Anesthesia Practice

Open House

Tuesday, April 2, 4:00-7:00 pm and
Thursday, April 25, 4:00-7:00 pm

First Hour:

Welcome
Program Overview
Interview and Application Tips

Second Hour:

Meet & Greet with Faculty
Get questions answered and discuss several highlights of the program directly with faculty in a small group setting

Third Hour:

Student Panel
Hear from current students and get your questions answered during three breakout session options

Breakout Sessions	
Preparing Your Family for Anesthesia School	Hear from current DNAP students and their family on how they prepared for Anesthesia school and school/life balance during.
Lincoln Concentrated	Learn from the perspective of current students whose home base hospital is in Lincoln. This includes students who have re-located for the program.
Omaha Concentrated	Hear from the perspective of current students whose home base hospital is in Omaha. This will also include information on attending classes in Lincoln during the first year in the program.

Light refreshments will be provided throughout the program. Please dress business casual. We look forward to seeing you on campus.
