Programs Offered

Associate of Science degree in:

- *Health Professions*

Bachelor of Science degree in:

Health Professions degree majoring in:

- *Diagnostic Medical Sonography*
- *Dual Major: Adult Cardiac Sonography and Vascular Sonography*
- *Healthcare Studies*

Health Professions - Completion Option

Biomedical Sciences

Nursing

Nursing - Completion Option

Master of Science degree in:

Nursing – Nursing Education

Nursing – Nursing Leadership

Doctor in:

Education – Nursing Education

Nurse Anesthesia Practice

Graduate Certificate in:

Healthcare Management

Simulation Education

Post – Masters of Science in Nursing – Nursing Education

Post – Masters of Science in Nursing – Nursing Leadership

Undergraduate Certificate in:

Healthcare Management

We also offer a full range of General Education courses to fulfill curriculum requirements.

Minors Offered

Baccalaureate degree seeking students are eligible to declare a minor in a variety of subject areas. The number of credit hours required may vary depending on the area in which the minor is being sought. A minimum of 12 credit hours in any minor must be earned at Bryan College of Health Sciences. Students wishing to earn a minor must complete the Declaration of Minor Form and submit it to the Records and Registration Office.

The following outlines the minors offered and the hours required. Please see your advisor for specific course requirements and details.

Biomedical Sciences

Students are required to successfully complete 14 credit hours. (12 credit hours must be taken at Bryan)

Healthcare Management

Students are required to successfully complete 12 credit hours. (12 credit hours must be taken at Bryan)

Public Health

Students are required to successfully complete 12 credit hours and an additional 3 credit hours of choice for an emphasis.

- *Business and Management Emphasis*
- *Cultural, Psychological, and Social Emphasis*
- *Natural Sciences Emphasis*

Social Sciences

Students are required to successfully complete 15 credit hours. (12 credit hours must be taken at Bryan)

Vascular Sonography

Diagnostic Medical Sonography students may select this minor. Students are required to successfully complete 17 credit hours.

Bryan Bookstore

<http://bookstore.mbsdirect.net/bryanhealth.htm>

You will need to register with the bookstore by creating an account. Simply click on the **“Log in to Your Account”** link on the top left hand side of the page. Once you've created and logged into your bookstore account, click the **“Order your Materials”** tab and select the books you need. After adding items to the cart you will be able to pay by credit card or by utilizing your financial aid funds.

Dropping Courses

If you decide to drop a class or withdraw from school, you must contact Records and Registration immediately for the appropriate paperwork. When you register for a course, you assume responsibility for the tuition and fees associated with that course. It is your responsibility to notify the college if you will not be in attendance. Not attending class does not automatically drop you from the roster or cancel your financial obligations.

Withdrawal Policy

A student who wishes to drop a course after the first week of the semester must withdraw from the course. If a student withdraws from a course before the end of the tenth week of the semester, a grade of “W” (withdrawal) is recorded on the transcript. A withdrawal is not computed in the grade point average. Students who find it necessary to withdraw from a course after the tenth week of the semester must petition to the Dean of the student's program for permission to withdraw. If approved to withdraw, the student will receive a “WP” (withdraw passing) or a “WF” (withdraw failing) on the transcript, dependent upon the student's grade in the course at the time of withdrawal. A “WP” or “WF” is not computed in the grade point average. If a student does not petition for a “WP” or “WF”, the course grade will be assigned based on the work completed in class. Any work that is incomplete will be calculated with zeroes. This may result in a failing grade. This failing grade will be computed in the grade point average. **Withdrawal deadlines for courses less than a full semester in length follow a prorated withdrawal schedule.**

Directory Information

The Family Educational Rights and Privacy Act (FERPA) specifies the rights a student has in regard to their educational records when they enter an institution of higher education. Directory information may be disclosed without student consent; however, students have the right to withhold its disclosure. Students must notify the Records and Registration Office in writing during the first week of courses if they wish to have their information withheld. Bryan College of Health Sciences has designated the following items as directory information:

- Name of student
- Address of student
- Phone number of student
- Personal email of student
- Field of study (major)
- Academic class (freshman, sophomore, junior, senior)
- Enrollment status (full-time or part-time)
- Date of attendance
- Estimated graduation date
- Graduation date
- Academic awards and degrees
- Participation in officially recognized activities and sports

NOTE: Withholding your directory information does not apply in classroom situations in which you are enrolled, nor does it include the right to remain anonymous in class. Your name and college email address may be listed on a class roster, and you may be called on by name in class.

Important Dates for Spring 2019

Priority Registration

- *Begins October 22*

Open Registration

- *Begins October 29*

Last day to file for August Graduation

- *February 15*

Academic Policies

Full-Time and Part-Time Student Status

Semester	Graduate			Undergraduate		
	Full Time	$\frac{3}{4}$ Time	$\frac{1}{2}$ Time	Full Time	$\frac{3}{4}$ Time	$\frac{1}{2}$ Time
Fall	6 credits	N/A	3 credits	12 credits	9-11 credits	6-8 credits
Spring	6 credits	N/A	3 credits	12 credits	9-11 credits	6-8 credits
Summer	6 credits	N/A	3 credits	12 credits	9-11 credits	6-8 credits

Dropping and Adding Courses

Adding a course

A course may be added through the end of the first week of the semester by completing a "Request to Drop/Add a Course" form and submitting it to Records and Registration. Please contact Records and Registration if you have any questions regarding the form. After the first week of the semester adding a course requires permission of the instructor.

Dropping a course

A course may be dropped through the end of the first week of the semester. The student must complete a "Request to Drop/Add a Course" form and submit it to Records and Registration. A course dropped by the end of the first week of the semester is not recorded on the transcript. A student who wishes to drop a course after the first week will have a "W" recorded on their transcript.

The drop/add dates for courses that are less than 16 weeks are prorated. You may contact Records & Registration for further details.

Grading System

Throughout individual courses, grades are recorded numerically to two decimal places. The final numeric course grade is then calculated and recorded as a whole number. Letter grades are assigned according to the final numeric value. Grade point averages are computed as follows:

Percentage Grade	Letter Grade	Quality Points
95.00-100	A+	4.0
90.00-94.99	A	4.0
85.00-89.99	B+	3.5
80.00-84.99	B	3.0
75.00-79.99	C+	2.5
70.00-74.99	C	2.0
65.00-69.99	D+	1.5
60.00-64.99	D	1.0
59.00 and below	F	0

Registering for Courses

If a student has a registration hold placed on their account, they will not be allowed to register until that hold has been resolved. Students may access hold details on the Student Portal.

Registration Categories

Priority Registration:

Is reserved for current students.

Open Registration:

Is offered to newly accepted Bryan College of Health Sciences Students. This category also includes non-degree seeking students who wish to take courses for their own personal or professional development.

Registration

- Contact your advisor to review your degree audit and plan your schedule. Your advisor's contact information is on the Student Portal.
- You are responsible for checking registration holds. All registrations holds must be cleared before you can access the online registration.
- The online registration tutorial can be found on the Bryan College website under Records and Registration:
<https://www.bryanhealthcollege.edu/app/files/public/4003/Portal-Online-Registration-Guide.pdf>
- Online registration opens October 22 for current students and October 29 for incoming students.
- For any course you cannot process online, submit a registration form and issue ticket to Records and Registration office 224.

Undergraduate Enrollment in Graduate courses

Students in the senior year of their major at Bryan College of Health Sciences may elect to enroll in a maximum of six graduate credits providing that all of the following criteria are met:

- Current Bryan College of Health Sciences undergraduate GPA of 3.0 or higher.
- Permission of the graduate course faculty member.
- Space availability upon registration of current graduate program students.

Definitions

- Prerequisite: A course that must be completed before another course can be taken.
- Co-requisite: A course that can be taken prior to or must be taken at the same time as a give course.
- Concurrent: A course or lab that must be taken at the same time as a give course.

Basic Nursing Assistant Information

The first day of class is **mandatory**. Students who do not attend the first day of class will be automatically withdrawn from the course. Name badge pictures will be taken the first day of class. Please bring any paperwork you were sent to the first day of class, if you have not yet turned it in.

Cost

\$499

Total cost for the course is \$499. This total includes your tuition, fees, student manual, student workbook, and a \$50 non-refundable registration deposit. The deposit will be applied to your tuition once attendance has been recorded.

Dates

Open Registration begins October 29, 2018

Class Date: January 7 – May 3, 2019

Registration Information

Course Number	Section	Course Title	Day and Time
NURA102X	1	Basic Nursing Assistant Course with Lab (non-credit) Limit 32 students First day of class is MANDATORY	Monday 9 a.m. – 12 p.m.
NURA102L	1	Basic Nursing Assistant Lab (non-credit) 8 student maximum Clinical Orientation: April 15 Clinical Day: April 22 6:15 a.m. – 12:30 p.m.	Monday 1 – 4 p.m.
NURA102L	2	Basic Nursing Assistant Lab (non-credit) 8 student maximum Clinical Orientation: April 15 Clinical Day: April 22 6: 15 a.m. – 12:30 p.m.	Monday 1 – 4 p.m.
NURA102L	3	Basic Nursing Assistant Lab (non-credit) 8 student maximum Clinical Orientation: April 15 Clinical Day: April 25 6:15 a.m. – 12:30 p.m.	Thursday 8 – 11 a.m.
NURA102L	4	Basic Nursing Assistant Lab (non-credit) 8 student maximum Clinical Orientation: April 15 Clinical Day: April 25 1:15 – 7:30 p.m.	Thursday 1 – 4 p.m.

Requirements

Must be at least 16 years of age.

All paperwork is sent out a month prior to the start of the class or is given to you at time of registration and is due **PRIOR** to the first day of class to allow processing time on background checks and health records.

- Background Check
- Demographic Forms
- Immunization and Health Forms

Your Student Health History Form, Student Required Immunizations Form, and Student TB Questionnaire must be turned in **PRIOR** to the first day of class. Failure to submit documentation will result in automatic withdrawal from the course.

Computer Requirements

Computers are accessible on campus in the student center. You may need a portable memory device and headphone/ear buds. The requirements for your computer or laptop are listed below. You may be successful with less, but meeting these requirements will assure that you will meet the minimal requirements of any programs currently in use.

Personal Computer

- *Window 7 or higher*
- *2.4 GHz Intel Pentium processor minimum, and Intel Core 2 Duo (2.4 GHz or higher) recommended*
- *4 GB or higher*
- *JavaScript and cookies must be enabled (free download)*

Apple/Macintosh

- *Mac OSX 10.10 or higher*
- *Power PC processor*
- *2 GB MB of RAM or higher*

Required for both type of computers

- *80 GB or more of storage*
- *High speed internet required*
- *Microsoft Office Student Edition or higher*
- *Flash Player (free download)*
- *Speakers, headset, and microphone. Web cameras and microphones are often required for many courses and may also be necessary to take full advantage of student services in the distance setting.*
- *Windows Media Player (If you can't install Windows Media Player on your Mac, you may use a comparable media player instead)*
- *Adobe Acrobat Reader, Java, and Microsoft Silverlight (free download)*

Browsers

The latest versions of all common browsers will work. It is recommended you always have at least two browsers installed. For more details about browsers and other required items visit:

<https://community.canvaslms.com/docs/DOC-10720>

Computer Skills

As a student participating in the online environment, you are expected to have basic computer skills. If you do not have these skills, your success in the course may be impacted:

- *Maintain safety and security of your computer—example: keep antiviral program up to date*
- *Create, save, find, and manage files—example: “save as” and place document in a folder*
- *Maneuver within and between applications—example: use the tool bar at the bottom to move between open programs and documents*
- *Create and modify documents in Word, Excel, and Power Point*
- *Add, open, and save e-mail attachments to your computer*
- *Save and transfer data via portable devices—example: jump-drive, USB, memory stick*
- *Browse Web using search engines—example: using Google, Yahoo, Ask, etc.*
- *Download and save a variety of document types—example: PDF format*
- *Know how to save a document in other formats—example: .doc, .docx, .rtf, etc.*
- *Know how to update and reliably maintain current versions of commonly used programs—examples: Adobe Reader, Flash, QuickTime, Windows Media Player, Java, etc.*

Resources to help you learn or refresh these skills can be found within CANVAS, the Student Success Center, online tutorials, and courses available through the College. There are many experienced peers to help you understand and learn the skills you need to be successful.

Are you ready to be an online learner??

Online learning provides many opportunities for increased flexibility, but it also requires more personal motivation, time management, and sound computer skills to succeed. Please take this quick online quiz to see if you are a good fit for online learning before enrolling in a course that is partly or completely online, <http://www.ilcco.net/oasis/index.cfm?a=1>.

Academic Calendar

Fall Semester

August 16-17, 2018	New student orientation
August 20, 2018	First day of classes
August 24, 2018	Last day to drop/add classes
Week of August 27, 2018	Tuition Statements available on CampusVue Portal
September 1-3, 2018	NO CLASSES - Labor Day
September 21, 2018	Tuition due
October 8-12, 2018	Midterm
October 13-16, 2018	NO CLASSES - Fall break
October 22-26, 2018	Priority registration for Spring semester
October 26, 2018	Last day to withdraw
Oct. 29, 2018	Open registration for Spring semester begins
November 15, 2018	Last day to file for May graduation
November 21-25, 2018	NO CLASSES - Thanksgiving
December 10-14, 2018	Final exams
December 14, 2018	Final day of semester
December 14, 2018	Fall graduation

Winter Session

Dec. 17, 2018-Jan. 4, 2019	Winter Session
Dates & Times TBD	Clinical Practicum IV-Cardiovascular Technology

Spring Semester

January 3-4, 2019	New student orientation
January 7, 2019	First day of classes
January 11, 2019	Last day to drop/add classes
January 19-21, 2019	NO CLASSES - Martin Luther King Day
Week of January 14, 2019	Tuition Statements available on CampusVue Portal
February 8, 2019	Tuition due
February 15, 2019	Last day to file for August graduation
Feb. 25-Mar. 1, 2019	Midterm
March 15, 2019	Last day to withdraw
March 16-24, 2019	NO CLASSES - Spring Break
March 25-29, 2019	Priority registration for Summer & Fall semesters
April 1, 2019	Open registration for Summer & Fall semesters begins
April 15, 2019	Last day to file for December graduation
April 29-May 3, 2019	Final exams
May 3, 2019	Final day of semester
May 3, 2019	Spring graduation

Summer Session*

May 6, 2019	First day of summer session
May 6-May 31, 2019	Nursing Practicum (for those students who have completed NCIII)
Week of May 13, 2019	Tuition Statements available on CampusVue Portal
May 24, 2019	Tuition due for all summer courses**
May 25-27, 2019	NO CLASSES – Memorial Day
June 3-28, 2019	Nursing Practicum (for those students who have completed NCII)
July 4, 2018	NO CLASSES – Independence Day
August 2, 2019	Last day of summer session
August 2, 2019	Summer degree conferral date

**ALL tuition for summer is due May 24, 2019, regardless of course offering dates.

-For drop/add dates see Records & Registration.

-For tuition refund schedules see the Bursar.

Tuition and Fee Rates

August 20, 2018 – August 2, 2019

Tuition

Doctor of Education	\$696/Credit Hour
Graduate Anesthesia	\$1001/Credit Hour
Graduate Nursing (MSN and Certificate)	\$529/Credit Hour
Healthcare Management Certificate (HMC)	\$566/Credit Hour
Simulation Education Certificate	\$655/Credit Hour
Undergraduate	\$579/Credit Hour

General Fees

Certificate	\$30/Credit Hour
Doctor of Education	\$30/Credit Hour
Graduate Anesthesia	\$45/Credit Hour
Graduate Nursing	\$30/Credit Hour
Undergraduate (except NURS courses)	\$30/Credit Hour
Undergraduate Nursing (NURS courses only)	\$40/Credit Hour

Semester Fees

Health Professions—Registry Exam Fees	Varies by program
Nurse Anesthesia—Clinical Fee	\$225/Semester

One Time Fees

Enrollment Fee—Post Graduate Certificate	\$100
Enrollment Fee—Doctor of Education	\$175
Enrollment Fee—Graduate Anesthesia	\$1000
Enrollment Fee—Graduate Nursing	\$175
Enrollment Fee—Undergraduate	\$175
Graduation Fee	\$225
Unbound Medicine E-Book—Undergraduate Nursing	\$185

Books and supplies are additional out-of-pocket expenses. These expenses may range from \$350-750 per semester, depending on a student's major and class load.

Financial Policies

Financial Aid

Students can apply for financial aid online via CampusVue Student Portal (Navigation: My Financial Aid > FA Online). Call the Financial Aid office at 402-481-8984 for more information.

Tuition Payment Policy

Tuition and fees are posted to student accounts during the second week of a new semester and are due upon posting. Statements are provided online through CampusVue Student Portal (Navigation: My Finances > Account Information > Registration Bill (check term and click search)). A student who is delinquent in the payment of tuition and fees will be refused admission to additional courses. An official transcript will not be issued until a student has met all financial obligations to the college.

Tuition Refund Schedule

- *Refunds to tuition will be issued according to the table below.*
- *Refunds for summer sessions or sessions less than a full term will be prorated.*
- *Refunds will be processed within one month of the request.*
- *Enrollment fees, course materials, and books purchased through the bookstore are nonrefundable.*
- *Dropping classes may affect your financial aid, loan eligibility, or car/health insurance.*

Refund schedule based on a 16-week term:	
First week	100% Refund
Second week	80% Refund
Third week	60% Refund
Fourth week	40% Refund
Fifth week	20% Refund
After sixth week	No Refund

Refund schedule for courses less than 16 weeks are prorated. You may contact the Bursar in Student Accounts for specific refund calculations. Larry Morrison, Office 223, 402-481-8752.

PL3	Plaza Classroom #3	East Medical Center, Plaza, Second Floor
LP	LifePointe	7501 S 27 Street Lincoln NE 68516
North Platte	North Platte	North Platte

Course Schedules for registrations

General Education / Science Courses will start with the following letters:

- *Business/Management* ECON, MGMT
- *Communication* COMM
- *General Studies* GSTU
- *Health/Recreation/Physical Education* HPER
- *Humanities* ENGL, HIST, HUMS, INTL, PHIL, RELI, SIGN, SPAN
- *Mathematics* MATH, STAT
- *Natural Sciences* BIOS, CHEM, NUTR, PHYS
- *Social Sciences* GERO, INTL, PBHL, PSYC, SOCI
- *Medical Terminology* HIMS

Graduate Studies Courses will start with the following letters:

- *Education* EDUC
- *Healthcare Management* ECON, MGMT
- *Nursing* NURS
- *Simulation Education* SIML

Health Professions Courses will start with the following letters:

- *Sonography* AHAL, CARD, CVTD, DMSO, SONO, VASC
- *Basic Nursing Assistant* NURA
- *Phlebotomy* MEDT

Nurse Anesthesia Courses will start with the following letters:

- *Anesthesia* NРАН

Nursing Courses will start with the following letters:

- *Nursing* NURS
