

# Paying Your Bill with a College Savings Plan/529 Plan

Many families are utilizing College Savings Plans or 529 Plans when making payment on their student account. These payments must be requested through your plan. They are not initiated through Bryan College of Health Sciences. Typically, you can ask that payment be made directly to the College from your Plan. Please be sure to allow for sufficient time when making payment in this way. Your Plan must have time to process the payment and mail time must also be considered.

Refer to the [Nebraska Educational Savings Trust \(NEST\)](#) and the [College Savings Plan Network \(CSPN\)](#) for instructions specific to your Plan. CSPN provides information on plans throughout the United States. You can search by state.
