

COVID-19 Student FAQs
(Exposure procedures, travel recommendations, etc.)
March 25th, 2020

Please note: Bryan College of Health Sciences will continue to follow the guidance of the Center for Disease Control (CDC), Bryan Medical Center, State Health Department and our Implementation COVID-19 Outbreak Plan. Information is subject to change at any time.

1. I am asymptomatic, but based on guidelines, I have been advised to self-quarantine. Do I need to stay home or can I come to the College?

If you have been advised to self-quarantine, **do not** attend Bryan College of Health Sciences related activities. Please fill out the COVID-19 [web form](#) so we can track the health of our student population. This information will be confidential and only reported to essential personnel.

Please work with your faculty and program director to continue your progression of coursework online and work with your faculty if you need adjustments. Bryan College of Health Sciences will continue to follow the guidance of the CDC and State Health Department.

2. I am symptomatic or have been diagnosed with COVID-19 and will need to follow guidelines for self-quarantine or state health department/health care facility requirements. Do I need to stay home or can I come to the College?

Do not attend Bryan College of Health Sciences related activities. Please fill out the COVID-19 [web form](#) so we can track the health of our students. This information will be confidential and only reported to essential personnel.

Please work with your faculty to continue your progression of coursework online and work with your faculty if you need adjustments. Bryan College of Health Sciences will continue to follow the guidance of the CDC and State Health Department.

3. I self-quarantined for (or was diagnosed with) COVID-19, but I am now cleared. What do I need to do?

For the safety of our students, faculty, and staff, you will be required to provide documentation from a health care provider. Documentation must be submitted before returning to Bryan College of Health Sciences. Documentation can be emailed to [College Health Nurse Office](#).

4. What if I am well, but I need to care for a family member who has tested positive for COVID-19, or presumed to have COVID-19?

The safety of our students, faculty, and staff is our top priority. If you are not able to progress with your coursework due to caring for an immediate family member, please work with your faculty to continue your progression of coursework online and work with your faculty if you need adjustments to your coursework.

Due to the extenuating circumstance, you may also want to contact our student accommodations office. Contact Sheri Paneitz at sheri.paneitz@bryanhealth.org or call 402.481.8782.

5. If my child's school or day care is closed due to COVID-19, what options do I have?

If you are not able to progress with your coursework due to caring for an immediate family member, please work with your faculty to continue your progression of online coursework.

6. If I do not have access to the internet or properly working technology for my on-campus courses that have been converted to the online platform, what do I do?

The College campus is open, please use our Library, Success Center or Computer Lab for coursework, if you are asymptomatic or have not otherwise been advised to be treated.

Also, please take advantage of a company offering [free internet services](#) for the first 60 days.

7. If I am traveling, do I need to take any special precautions upon my return to the College?

Students are highly discouraged from travel to areas according to the Center for Disease Control and Prevention Travel Health Notices, regardless of level, or anywhere outside of the continental United States. Domestic travel should also be carefully considered and should be limited, mainly if the traveler is at an increased risk, or lives with individuals who may be at an increased risk of infection with COVID-19 occurs. Please continue to [report](#) your travel and follow the [Center for Disease Control and Prevention Travel Notices](#).

If you have questions about travel, please reach out to [Sheri Paneitz](#) or [Alethea Stovall](#)
