

March 30 Update

Dear Students and Blue Healer Community,

WELCOME BACK from Spring Break. It is great having us all back together (even in a largely virtual world).

What's New:

1. **Temperature Screening** at Bryan East and West begins 3/31. An email went out to you today to outline updated entrance points and temperature screening procedures at Bryan East and West. We have a copy of that information here as well. Unless you are dropping off or picking up a child, we are asking you to not use the child care entrance. We suggest using the medical center main entrance.
2. **Resources** available for college students in Lincoln and Lancaster County. The MyLNK app provides a mobile database of community services in Lincoln and Lancaster County. The app is free, easy-to-use, and is consistently updated with accurate information. Services include food distribution, free/reduced tax preparation, health providers, prescription assistance, and so on.

Reminders:

1. We have extended the withdrawal date to April 10th ONLY for face-to-face classes now meeting online. Please note, depending on your program this may put you out of progression to graduate on time so please be in contact with your faculty and advisor.
2. **Summer/Fall Registration Notice:** Students, please complete the required forms sent to your email on 3/17/2020 with the subject line "Please Complete Prior to Registration." You **must** complete these forms in order to register for summer and fall classes.
3. Remember Student Affairs has posted COV-19 Student FAQs. It can be found on our website and that link is here: <https://www.bryanhealthcollege.edu/app/files/public/4864/FAQ-Student-procedures.pdf>
4. If you have questions please reply to this address: bchsrt@bryanhealthcollege.edu

Healing Acts:

A wonderful clip thanking all our health care providers: <https://youtu.be/vmBWxSJMfJE>

We are here. Let us know how we can be of assistance to you.

Forward. Together.
Rich Lloyd, President
