August 5, 2020 Update

Hello Healers,

It's August! We are excited to begin our fall term. As you know, we will start with a hybrid model of in-person and online instruction.

As Blue Healers, we must all continue to do our part and model safety habits while on campus and in our community. We wash/sanitize hands. We wear masks. We socially distance. We care for others and practice self-care.

New:

We are hosting a **Town Hall** for students on **Thursday, Aug 13 at 3 p.m.** Check out the College's Facebook page for more information. The Town Hall is a chance for students to check in and get updates and information from campus.

Reminder:

These pages provide general guidance as we plan for fall.
