

August 26, 2020 Update

Hello Healers,

Well, it's Wednesday of our first week back together. Thank you so much for your excitement and enthusiasm for being back on campus. And thank you as well for following all the safety guidelines in place.

Please note that this weekly update will move to Mondays starting August 31. Our Covid Response team meets on Mondays so we will align this update to provide information from that meeting.

New:

Thanks for arriving early so you can get parked and get through screening before heading to your class, library, or offices. Remember to keep parking in designated areas. If you have any questions, just ask.

We've added some outdoor seating on East campus and we will be setting up some additional seating over on West campus (former surgery waiting area adjacent to the college entrance). Please continue to spread out as you study, relax, and take time for meals.

Reminders:

These pages, updated as/when needed, provide general guidance as we plan for fall. <https://Bit.ly/BCHS-COVIDGuide>

Be Safe. Be Well. Be Healers and Helpers.

Rich Lloyd, President
