Update

Hello Healers,

Well, it is coming up on a year that we have been tracking and monitoring Covid-19. My sincere thanks to you all for staying safe and staying learning. Numbers across the area continue to trend downward.

We know we are not out of this pandemic by any stretch, but as we continue to see good news we will take hiatus from these written campus Monday updates.

We will continue to daily update our Covid chart so you can see daily and weekly totals.

I will certainly resume these written updates should conditions change.

Remember, you must currently go through temperature screening when you enter the building.

Covid Response Team report: Running totals, covering Monday-Sunday.

Date	Confirmed positive tests	Total positives since 1/4/2021
1/11/2021	2	2
1/18	8	10
1/25	6	16
2/1	6	22
2/8	1	23
2/15	3	26

Be Safe. Be Well. Be Healers and Helpers.
And thank you for reading along this past year.
